

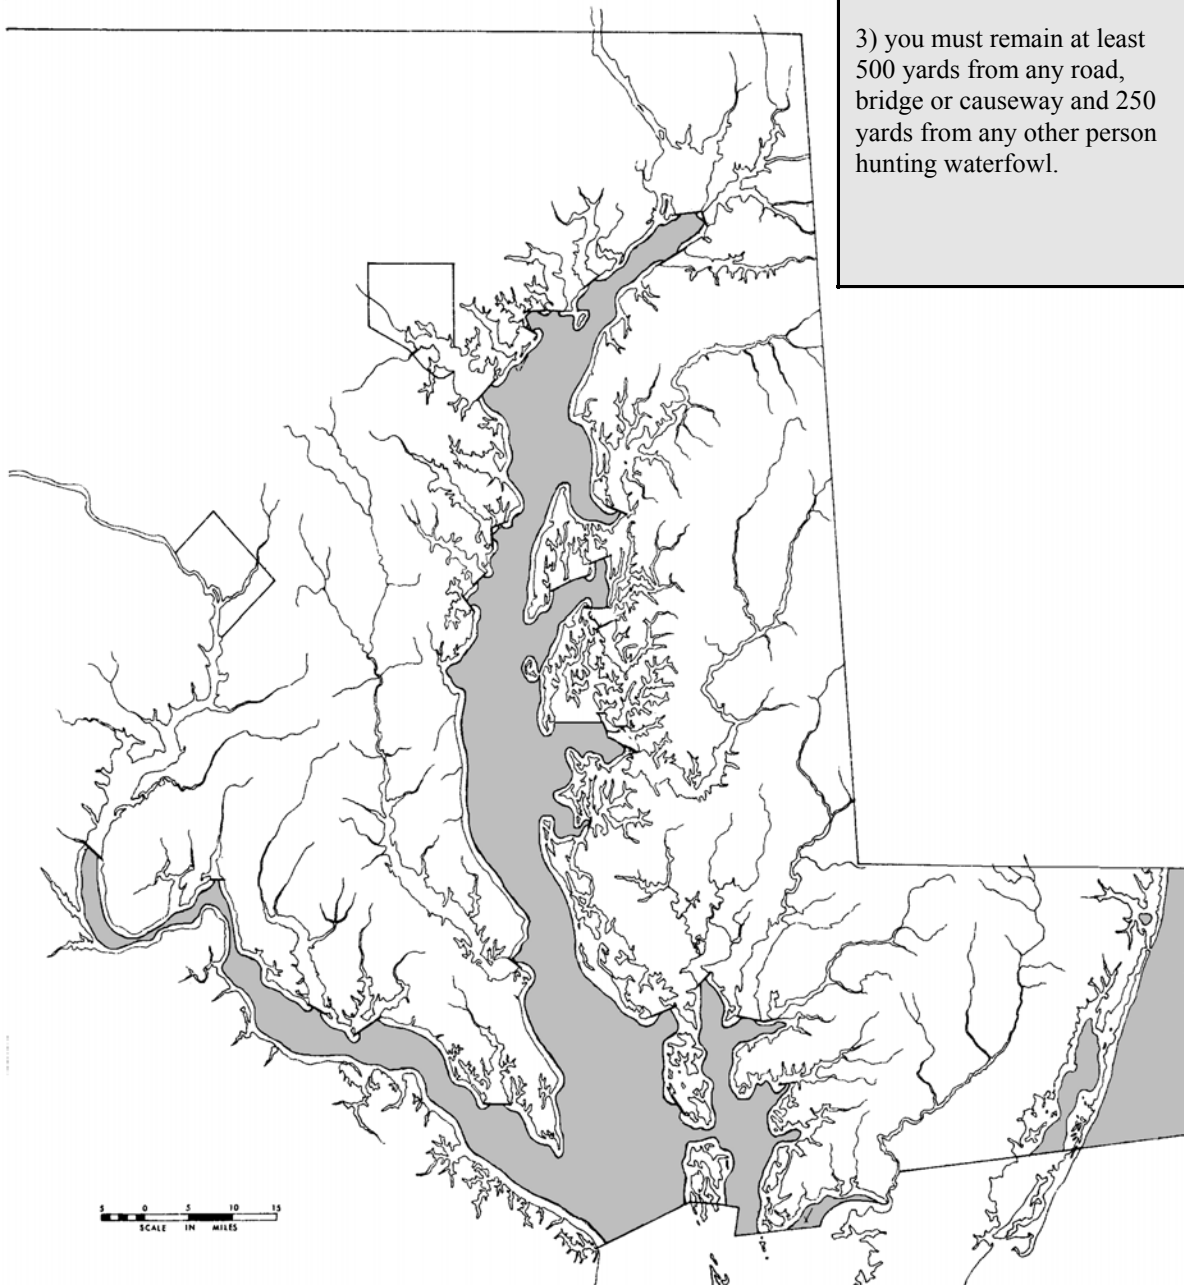

Figure 1. Area Open For Special Sea Duck Season

You may hunt sea ducks (scoters, oldsquaw and eiders) during the special sea duck season (see Guide to Migratory Bird Hunting Seasons for season dates and bag limits) in the shaded area of the map.

While hunting in the sea duck zone:

1) nonresidents must be accompanied by a Maryland resident at all times,

2) you must remain at least 800 yards from all shore, including shore emerging at low tide and

3) you must remain at least 500 yards from any road, bridge or causeway and 250 yards from any other person hunting waterfowl.
